PREPARE HATCH PEPPERS AT HOME

ROAST ON A STOVETOP OR GRILL

Use long-handled tongs to hold the pepper over a medium flame or hot grill, turning occasionally until evenly charred, blackened, and blistered all over.

REMOVE THE SKIN

Place roasted peppers in a bowl and cover with a damp towel or plastic wrap. Once cool, remove skins to reveal their silky flesh.

REFRIGERATE OR FREEZE

Roasted and prepped peppers last in the fridge for up to 5 days, or frozen for up to 2 years. To freeze, place cooled peppers in a single layer in a storage bag. Peppers may also be chopped or diced and stored.
