BRISTOL FARMS DIRECTOR OF WINE & SPIRITS SHARES HIS MONTHLY FEATURED BRANDS

For us wine enthusiasts, nothing beats discovering new wines that over-deliver on quality while remaining a bargain. Thankfully, there are still a few family-owned boutique wineries specializing in amazing bottles for an even better price, and Koehler Winery is one of those places.

Recently, I had the pleasure of being invited to their winery for a tasting where I sat down with owners Peter and Kory alongside their son Derek and their winemaker Trace. During my visit, we conversed about all aspects of the wine industry, and I saw first-hand how passionate they all are about their winery. In a nutshell, they are unpretentious and down-to-earth people, and it was an absolute pleasure spending time with them.

We are beyond proud to introduce you to Koehler Winery. I know that once you try these bottles, you'll be blown away by finding such a great bargain!
