## PROSECCO

Prosecco is a delicate and elegant sparkling wine from Italy. This lovely varietal hails from the famous Veneto region, which is known for producing light, refreshing, and fruity wines. Made from the Glera grape, Prosecco boasts notes of green apple and pear, but you'll also notice plenty of fresh citrus and acid. Prosecco's versatile nature makes it perfect for celebrations, casual get-togethers, and everything in-between. Its effervescence and crispness make it a favorite for many wine lovers, and it can easily be enjoyed in an Aperol Spritz, peach bellini, Hugo Spritz, and much more. We love the beautiful taste of Prosecco, and we're certain it will pair wonderfully with all your end-of-the-summer gatherings with family and friends!
